<td>Northport, AL 35476</td>
<td></td>
</tr>
</tbody>
</table>

**Services Provided:**
Expertise is primarily with anxiety and mood spectrum challenges. Approach is integrative, using elements of client-centered, psychodynamic, and cognitive-behavioral therapies (CBT). Dr. McMath states “I believe in building genuine relationships in psychotherapy, and the relationship between the therapist and client/patient has been shown to be the most important part of the treatment.”

*UA graduate, former Counseling Center employee

**Services Provided:**
30 years of experience. Relationship problems, panic and/or anxiety, depression or other mood disorders, low self-esteem, eating disorders, sexual identity issues, chronic pain or spiritual or existential questions, or self-improvement. Experience working with adolescents, with both perpetrators and victims of domestic violence, and with adult survivors of childhood sexual abuse. I use a number of therapeutic approaches, depending on the client's needs, but cognitive behavioral therapy is a common thread throughout.

**Payment Information:**
Cost per Session: $90
Pay By: American Express, Cash, Check, Mastercard, Visa
