Program Disclosure

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?

Indicate Yes or No: No

If yes, provide website link (or content from brochure) where this specific information is presented: N/A
### Time to Completion for all students entering the program

</table>

**Prior Graduate Work:**

Doctoral students may enter the program with credit from prior graduate work. We evaluate transfer credit on an individual basis for students entering with prior graduate coursework once they have been admitted to the program but typically tell our applicants that there is no guarantee that credit will be approved for transfer. Depending on the amount of credit approved for transfer, the student may complete the program in a minimum of 4 years (including internship).
Program Costs

<table>
<thead>
<tr>
<th>Description</th>
<th>2023-2024 1st-year Cohort Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition for full-time students (in state)</td>

<td>$800.00****</td>
</tr>
</tbody>
</table>

*Currently, students are guaranteed 4 years of funding which includes a stipend, full tuition waiver for the academic year (fall and spring semesters), and single coverage health insurance. Students pay summer semester tuition for 1 credit hour at the in-state/resident rate, which is $475. Sources of funding include teaching assistantships, research assistantships, clinical placements, and competitive fellowships.

**Academic year (fall and spring semester) tuition per credit hour for part-time students
